

PROCEDURES IN PENNSYLVANIA FOR ALL-STATE PLAYER SELECTION

ALL-STATE

Allotment to the PSCA All-State team is determined by the number of paid PSCA member head coaches within each league. A league with 1 to 8 paid head coaches receives one player honored on the All-State team. A league with 9 to 16 receives two; 17 to 24 receives three, etc. This sequence continues by multiples of eight. Each league is responsible for determining the ranking of outstanding players within that league. Some leagues conduct ranking/voting meetings. Some use a mail ballot. Once determined, the PSCA League Representative forwards the nomination to the All-State Chairman. The chairman then determines if the player chosen is qualified by checking membership information. To be recognized, a player's coach **must** be a PSCA member. The list is then sent to the PSCA Executive Secretary for publication in the stat package. The qualified coach of the player honored is responsible for the publicity of their own player(s). The mailing of certificates is handled by the chairman of the All-State Committee.

If additional information is needed about these procedures, please feel free to contact the Chairman of the All-State Committee:
