

**SPRING FEMALE
LEAGUE REP INFORMATIONAL SHEET**

Thank you for your work as league representative to the PSCA. Organizing the coaches in your league will assist the PSCA in assuring that the players and coaches in your league get recognized at the state and national level. **Please be aware that the deadline for “Spring Female Leagues” to report all information to the PSCA is May 31st of each year.** It will be important for you to contact coaches, hold all-star voting and get paper work to the PSCA before this date. Failure for a league to report by the deadline will result in a loss of recognition. I sincerely hope you can understand our dilemma when trying to organize over 50 girls leagues both spring and fall and boy’s leagues. The last thing we want to do is not give recognition to deserving players and coaches from your league. I have listed a checklist below for items that we need by the deadline. If you can't attend to these tasks, forward this material to another coach within your league and contact me with the change. Please throw away old forms as we have had a restructuring and new forms are enclosed. We also have forms on line at pasoccercoaches.org, which can be downloaded. Please have your league meeting to select your All-State player(s) before May 31st.

I hope that my outline above has made it easy for you to understand the responsibilities of the league representative across the state. Please use our web-site pasoccercoaches.org as an informational tool. Please contact me through email ascavallaro@optonline.net should you have any questions.

The PSCA has been fortunate to have the support of **Brine** and **Angelo's Soccer Corner**. Please support our sponsors by considering their products and clinics.

PSCA membership plays an important role in honoring players and coaches. We are able through your membership and the membership of coaches from your league to hold a banquet, award certificates and give plaques and trophies to the best in Pennsylvania soccer. Encourage every coach in your league to become a member of the PSCA.

Thank you in advance for your work!

Yours in Soccer,

Anthony P.Cavallaro

PROCEDURES FOR ALL-REGIONAL AND ALL-AMERICAN PLAYER SELECTION

ALL-REGION/ALL-AMERICA

Allotment to the NSCAA All-Region and All-America teams is determined by the number of NSCAA member coaches within each state. Pennsylvania is entitled to a certain number of players based on that membership total. Each state is required to rank its allotted players and submit the list to the All-America Chairman of the NSCAA. In Pennsylvania we use the All-State team as a base list. Some leagues are not included on the All-America ballot because they do not submit names by the November 1 deadline. Thus, some outstanding players do not appear on the All-America ballot but will be recognized on the All-State team. Once ranked, players are verified by checking to see if their coach is an NSCAA member. The coach is then responsible to submit the information about their player to the NSCAA through the NSCAA website.

In Pennsylvania, the PSCA has decided upon a ballot system involving a number of high school coaches geographically distributed throughout the state. Open communication and evaluation of players between the committee members is encouraged. The coaches are asked to rank the top players in order. Ballots are then returned to the All-State Chairman. The ballots are tallied and then the players are ranked based on the votes received. This list is then forwarded to the national regional chairman for publication and notification. The coaches whose player is selected must be a member of the National Soccer Coaches Association and then register the player on-line with the NSCAA to complete the selection process.

If additional information is needed about these procedures, please feel free to contact the Chairman of the All-State Committee:
