## *Congratulations on your Induction Coach Capra*

I want to express my heartfelt gratitude to Coach Wayne Capra for being such an exceptional coach and mentor to teenage girls like me in the 1990s and to the hundreds of teenagers he coached before and after me. In a time when so much focus is placed on material success, Coach Capra stood out as someone who truly cared about developing his players both on and off the field. He not only helped shape me into a better soccer player but also served as an incredible role model for what it means to be a dedicated and compassionate adult. His humor and encouragement made practices enjoyable, and his willingness to let us make mistakes and grow from them created an environment where we felt safe to push ourselves and truly fall in love with the game. Coach Capra's passion and guidance were invaluable, and I will always respect and admire him for the impact he had on my life and so many others. Thank you, Coach Capra.

Amanda Smith Ray, Beadling

Congratulations! I wanted to express my sincere gratitude for the positive impact you have had on my life. I will never forget the inspirational talk you gave me the night before we beat Mt. Lebanon my senior year. Your approach to coaching has had a guiding effect far beyond the soccer field. There are so many things I learned from you that I have carried with me throughout my life. You taught me the value of hard work, determination, and the most important lesson how to be resilient. I didn't realize at the time you were preparing us for our futures far beyond our life as a soccer player. You taught me how to lead and how to believe in myself when I had doubts. You were always there to support us no matter how much we were struggling individually or as a team and you knew what to say to get us back on track. Thank you for your dedication, your guidance, and unwavering support over the years. You have made a lasting impact in my life and I am truly grateful. Congratulations on your induction.

Tara Albert Lavy #15, Upper St. Clair

Coach Capra has had a huge impact on my life. He instilled the values of determination, discipline, respect, teamwork and resilience in all of his players. He truly cared about his players as people and inspired and motivated us to reach our goals in both soccer and in life. Holly Law, Upper St. Clair

Coach Capra was one of a kind. He always pushed us to be our best but was also funny, playful, kind, and supportive. He allowed us to be ourselves and was never strict or mean. I knew I could always go to him. I am grateful to have learned so much in my soccer career from Coach Capra and would not have made it the 4 years without him! Ashley Ray, South Fayette

It is very easy to offer words and congratulations to Coach Capra! We coached together for both high school and club soccer, and I cannot say enough about Wayne's soccer passion and intensity, commitment, good nature, and intellect for the game. He truly and deeply cared about the players and the sport. It was my honor to Coach with him and I will always remember those times fondly. Congratulations and well deserved! Brienne Colby Sembrat

Not only was Coach Capra a great soccer coach, but he was also a great mentor, teacher, and friend. He pushed us to do our best on and off the field while giving us room to be our goofy, fun-loving selves. As part of the "Dynamic Duo," I will never forget how much fun I had being a part of Coach Capra's team. Kayley Renz, South Fayette
